

NEXTGEN *UPGRADE*

**BOOST YOUR CAREER
TO NEW HEIGHTS**

ABOUT THE PROGRAM

AmCham Singapore's Next Generation Leadership Program (NextGen) is a year-long program with sessions designed for future leaders. After successfully running for six years, AmCham is refreshing NextGen to focus on sessions that develop leaders with a focused personal, career, and leadership development curriculum.

Challenges confronting leaders have never been more complex, including digital transformation, COVID-19, economic recession, trade, and other prevailing issues. To withstand this uncertain business climate, leaders need to upgrade themselves with essential knowledge and skills while managing their own energy to achieve peak performance.

NextGen Upgrade aims to strategically leverage the industry expertise and experience of our business community to support the growth of the next generation of leaders.

WHAT WE OFFER

Exposure to an array of world class training modules developed by renowned companies, with opportunities to directly engage with the AmCham member companies leading the modules

Access to a platform for executive coaching/mentor matching – in groups and/or 1-on-1—for more intimate support on personal and professional development

Alumni program that continues participants' career development through access to post-program learning and development events and fostering connections through access to commercial leaders on AmCham's Board and Committee Co-Chairs

TARGET PARTICIPANTS

This program is designed for mid-level managers seeking to develop their leadership skills and the foundational expertise needed to thrive in disruptive times

Professionals, Managers, Executives and Technicians with plans to expand their portfolio and advance into more senior roles

FORMAT

Sessions will be held in-person and/or virtually depending on session requirements and government guidelines on COVID-19

CURRICULUM
