

## PRESS RELEASE

### **Announcement of AmCham CARES 2020 Award Recipients**

**Singapore, December 17, 2020** – The American Chamber of Commerce in Singapore (AmCham) announced the recipients of the AmCham Corporate and Societal Action: Recognition for Excellence in Singapore (CARES) Awards 2020. AmCham awarded 7 member companies with the High Distinction Award and 34 member companies with the Distinction Award for their corporate social responsibility (CSR) excellence.

AmCham CARES is a program to recognize AmCham member companies for their CSR excellence and commitment to positively contributing to the Singapore society. The award recognizes AmCham member companies that conduct business in a sustainable way that creates both long-term economic and social value for Singapore. Notable CSR activities and campaigns by AmCham member companies include empowering Persons with Disabilities (PwD), supporting caregivers, and championing environmental sustainability in Singapore.

Commenting on AmCham CARES, Chair of AmCham’s Social Impact Task Force, Mr Choo Hua Wee said “AmCham CARES is a program to benchmark and share best practices, as well as encourage member companies to improve their programs. This year’s AmCham CARES Award recipients have demonstrated a strong commitment to CSR and are exemplary models for the business community.”

AmCham member companies have also continued to make contributions to support the local community during the COVID-19 period. AmCham members have partnered with local charities supporting migrant workers, organized company projects to donate resources to meet the various needs of less fortunate communities, as well as supported their own employees during this period of economic hardship.

AmCham’s Chief Executive Officer, Dr Hsien-Hsien Lei commented, “It is heartening to see that AmCham member companies have stepped up to support vulnerable groups during this difficult period. We hope that the AmCham CARES program will encourage the business community to strengthen their CSR programs and commitment and contribute meaningfully to Singapore.”
