**March 13, 2025, SINGAPORE** - The American Chamber of Commerce in Singapore (AmChamSG) celebrates the U.S.-Singapore business community with the grand opening of the newly expanded AmChamSG Hub, graced by Mr. Gan Kim Yong, Deputy Prime Minister and Minister for Trade and Industry, Republic of Singapore.

The expansion reaffirms the dedication of the Chamber to facilitating collaboration, innovation, and growth of member companies. It also demonstrates the continued commitment of the AmChamSG business community to the economic and social development of Singapore.

“West is proud to be a member of AmChamSG. We believe in fostering strong partnerships and facilitating meaningful dialogues that drive innovation and growth in Singapore,” said Nilesh Shah, Vice President and General Manager, Emerging Markets at West. “AmChamSG plays an important role in the business community and is a platform that enables industry leaders to connect, share insights, and address critical business challenges. We look forward to seeing the impactful collaborations that will emerge from the AmChamSG Hub.”

## **Sustainable Impact**

Working jointly with Sunray Woodcraft Construction, the Chamber donated pre-loved office furniture to partners in the community including the Yio Chu Kang Grassroots and the Anglican Senior Centre (PEACE-Connect).

Additionally, the Chamber commissioned a wall mural by artists Eunice Hannah Lim and Nur Sabrina Binte Rahim, a member of the Rainbow Centre's Artability program who was born with cerebral palsy. This effort is part of an ongoing partnership with the North East Community Development Council (NECDC) to increase awareness and support for differently-abled artists.

Dr. Hsien-Hsien Lei, Chief Executive Officer of AmChamSG said, "The AmChamSG Hub is the heart of the American business community in Singapore. This expansion reflects our commitment to fostering and strengthening the enduring relationship between the United States and Singapore.

In the spirit of celebrating new beginnings with 'something old, something new, something borrowed, something blue,' the AmChamSG Hub is fitted with blue carpets made from recycled commercial fishing lines to promote a circular economy. As we mark this exciting milestone, AmChamSG is dedicated to supporting the growing needs of the community through advocacy, community and thought leadership."
